Lit - tle child, lit - tle child, make me as you.
Lit - tle child, lit - tle child, why do I fear?
Lit - tle child, lit - tle child, why do I doubt?
Lit - tle child, lit - tle child, you are so sure.

5. Little child, little child, let your light shine;
Pierce worldly darkness with wisdom divine;
Your little light is much brighter than mine;
Little child, little child, let your light shine!

6. Little child, little child, make me as you;
Help me love Jesus as much as you do,
Singing His praises with voice clear and true,
Little child, little child, Jesus loves you!
